Dear Sir / Madam

THIS LETTER AND ITS ENCLOSURES ARE IMPORTANT – PLEASE READ THEM CAREFULLY

RiverStone Insurance Limited (*RIL*), previously known as Brit Insurance Limited - proposed intra-group insurance business transfer to RiverStone Insurance (UK) Limited (*RIUK*) (the *Transfer*)

This letter is being sent to you as our records indicate that you have (or in the past, have had) an insurance or reinsurance policy or policies with RIL (or Brit Insurance Limited as it was previously known). We are writing to provide you with important details in relation to the proposed transfer of your policy.

This communication is not related to any business of Brit Limited, which continues to underwrite specialty insurance and reinsurance.

As RIL primarily underwrote business through coverholders and brokers, it is possible that you may also be contacted by your coverholder or broker with notice of the proposed Transfer.

Introduction

RIL is incorporated in the United Kingdom and is part of the RiverStone Europe group of companies (the ***RiverStone Group***). RIL was previously known as Brit Insurance Limited, but it changed its name to RIL on 15 October 2012. RIL commenced underwriting, predominantly reinsurance risks, in 1994. RIL ceased writing the majority of new business in June 2012 and its business is now in run-off. RIL is an indirect, wholly-owned subsidiary of Fairfax Financial Holdings Limited, a company domiciled in Canada and listed on the Toronto Stock Exchange. The RiverStone Group includes other insurance and reinsurance business written by other members of the RiverStone Group that is administered in the United Kingdom. The RiverStone Group is proposing to transfer all of RIL's business to RIUK, another member of the RiverStone Group.

In summary, the purpose of the Transfer is to simplify and consolidate the legal structure of the run-off businesses of the RiverStone Group in line with the existing operational, administrative and functional arrangements. Combining RIL's run-off liabilities with those of RIUK (instead of being operated through separate companies within RiverStone Group), the RiverStone Group will be able to reduce costs and achieve greater capital efficiency. RIUK is also the RiverStone Group's main transferee for other transfer schemes, which have recently been implemented.

The Transfer

RiverStone Insurance Limited

Brighton, East Sussex

www.trg.com

Registered Office: Park Gate, 161-163 Preston Road, Brighton, East Sussex, UK BN1 6AU Company Registration No. 2763688 (England and Wales). Authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority.

The Transfer will formally take place by way of an insurance business transfer scheme under Part VII of the Financial Services and Markets Act 2000 (as amended) (*FSMA*).

To become effective the Transfer must be sanctioned by the High Court of Justice in England (the *Court*). The Court will consider whether the Transfer is fair and whether policyholders' interests are safeguarded. In doing so, it will take into account the views of the UK financial regulators, the Prudential Regulation Authority (*PRA*) and the Financial Conduct Authority (*FCA*), as well as the opinion of an independent expert, Mr Philip Tippin of KPMG LLP (the *Independent Expert*), whose appointment has been approved by the PRA in consultation with the FCA, and any objections received from affected parties, including RIL's policyholders.

The Court hearing which will consider and if appropriate sanction the Transfer is currently scheduled for 7 September 2018 and, if sanctioned, it is expected that the Transfer will become effective on 28 September 2018.

The Transfer will include all corresponding assets, including reinsurance assets, matching the insurance and reinsurance policies to be transferred.

The Transfer will allow for any legal proceedings, commenced prior to the date on which the Transfer becomes effective by or against RIL under or in relation to any of the policies that are being transferred to continue by or against RIUK.

The Transfer will have no effect on:

- the terms and conditions of your cover; or
- the duration of your policy/policies; or
- the protections you are entitled to under the Financial Services Compensation Scheme; or
- your benefit expectations; or
- any claim which you have made (or may make) under your policy/policies.

Report of the Independent Expert

As required by Part VII of FSMA, when the Court is asked to sanction an insurance business transfer under FSMA, an Independent Expert must report on the effects of the Transfer on the policyholders of the parties involved.

A summary of the Independent Expert's report is enclosed; his overall conclusion is as follows: "*I have considered the Transfer and its likely effect on each of the policyholder groups. I have concluded that the risk of any policyholder being adversely affected by the proposed Transfer is sufficiently remote for it to be appropriate to proceed with the proposed Transfer as described in my report.*"

Action required

We would encourage you to read carefully the material in this letter and its enclosures so that you can consider the implications of the Transfer. It is important that you consider the effect of the Transfer yourself and do not simply rely on the Independent Expert's conclusions, or the reviews of the FCA, PRA or the Court.

If you believe that you will be adversely affected by the Transfer, you have the right to make written representation to the Court or be heard at the Court hearing to sanction the Transfer (in person or by legal representation). The Court hearing is currently scheduled to take place on 7 September 2018 at the Rolls Building, Royal Courts of Justice, 7 Rolls Buildings, Fetter Lane, London EC4A 1NL, United Kingdom. Any person who intends to appear at the Court, or to make representations in writing, is requested to notify the RiverStone Group's solicitors, Freshfields Bruckhaus Deringer LLP,

as soon as possible and ideally at least five days before the Court hearing at 65 Fleet Street, London, EC4Y 1HS (Ref 166187:0001/GHFS/LEH), although even if you do not do so, it is still possible to make representations up to and at the Court hearing. You can also call or write to RIL, using the contact details set out under “Further information” below. We will bring any representations received to the attention of the PRA, FCA and the Court at the hearing when it decides whether to sanction the Transfer.

However, unless you are unsure about the proposals, have any questions, want clarification or think you may be adversely affected, you are not required to take any action in relation to the Transfer. If sanctioned by the Court, your policies and claims will automatically transfer to RIUK. The Transfer will have no impact on your policy except that the policy provider will change to RIUK. Other than this, there will be no change to any policy terms or the way in which your claims are administered and all existing contact details will remain the same. Claims will continue to be managed by either the current run-off manager, RiverStone Management Limited, which is also part of the RiverStone Group, or the relevant third party administrator which previously managed your claim.

It is possible that there may be other parties with an interest under your policy or policies with RIL (for example, joint holders, assignees, subsidiaries or affiliates). If you believe that any other party may be affected by the Transfer in relation to any of your policies, please forward a copy of this letter and its enclosures on to them as soon as possible.

Yours faithfully
